Graduation	IIT Bombay	IIT Bombay	2023	8.99

Hello.

I'm **Aditav** –
 designer, illustrator and peanut butter enthusiast.
 I try to tell a story through everything that I make,
 and to find one in everything I see. Constantly un-learning and re-learning

Key Projects

Family Finance App

September 2021

[User Studies and Interaction Design](#) | Group Course Project | Prof. Anirudha Joshi

- Designed a mobile application for families to help introduce financial concepts to children and young adults.
- Performed thorough user research, designed wireframes and high-fidelity screens, conducted heuristic evaluation.

Google Maps: Traffic Wait Optimisation

September 2021

[Human Factors and Applied Ergonomics](#) | Course Project | Prof. Swati Pal

- Studied Google Maps' traffic management system, and redesigned aspects of the application considering cognitive load and heuristics.
- Conducted user research, literature review to study the effects of waiting time perception, feedback, and user satisfaction.

Gotta Sort 'Em All

August 2021

[Data Visualisation](#) | Course Project | Prof. Venkatesh Rajamanickam

- Visualised the dataset of over 1000 Pokemon based on type classification.
- Designed an A2 poster and an interactive webpage visualization of the same.

The Legend of Sleepy Hollow: Book Redesign

January 2021

[Typesetting and Book Design](#) | Course Project | Prof. Girish Dalvi

- Typeset the short story, 'The Legend of Sleepy Hollow', by Washington Irving into 3 separate layouts: traditional, modern, and experimental.

Work Experience

Mood Indigo Creatives Coordinator

May 2020 - Dec 2020

- Asia's Largest College Cultural festival | 100k+ viewership | 2000+ colleges
- Developed the visual identity of Mood Indigo as part of the branding team.
- Designed various social media content and merchandise.

Saathi, IIT Bombay Convener

July 2020 - Present

- Actively working towards LGBTQ+ inclusion in the IIT Bombay campus through various events and activities.
- Managed and designed content for the social media handles.
- Currently working on a 10 year commemorative volume for the organisation.

Mindpiper Social Media Intern

May 2019 - Aug 2019

- Developed content for the organisation across their social media platforms to increase engagement and reach.
